## Summary

During my 6-month internship, I honed my skills in JavaScript, Node.js, Nest.js, TypeScript, and database management. I actively contributed to projects, gaining hands-on experience in web development and backend technologies. I collaborated with teams to deliver high-quality software solutions, demonstrating strong problem-solving and analytical abilities. My internship experience enhanced my understanding of software development practices and prepared me for a career in the field.

## Skill Highlights

- Javascript , Node.js , Nest.js , Express.js
- React.js , AWS , GIT-HUB
- Database: Postgresql, mySql, MongoDB
- Typescript , Swagger API , REST API
- Time management, Communication, Teamwork

## Experience

**Web developer** - 01/2024 to Present

**Aek ads, Gandhinagar**

- Experienced full-stack developer with a 6-month intensive internship in web development.
- Software design and development while remaining concentrate on client needs.
- Specializing in JavaScript, Node.js, Nest.js, TypeScript, and database management. Proficient in front-end technologies such as HTML, CSS, ReactJS, and Bootstrap, with hands-on experience in backend development using Node.js and Express.js..
- Skilled in creating RESTful APIs, integrating with databases like MongoDB and PostgreSQL, and ensuring application scalability and performance. Strong problem-solving abilities, effective communication skills, and a collaborative team player.
- Interface with business analysts, developers, and technical support to determine optimal specifications.
